Matthew McDonough
Chief Executive Officer
Babylon Industrial Development Agency
47 West Main Street, Suite 3
Babylon, NY 11702

Dear Mr. McDonough,

Century Carriers would like to stay in the Town of Babylon but without the Tax Abatement it will make it very difficult for us to remain here.

We have spoken with the NYC Industrial Development Agency, they sent us an email outlining the incentives to move into their area. We have also spoken with the Brookhaven Industrial Development Agency who also sent us an email outlining the incentives they will offer us to move to their area. I have enclosed both emails.

Please send me what incentives the Babylon IDA can offer us to stay in Farmingdale. We are happy with our location and would like to remain here. We have many local employees that we would like to maintain.

The following is a list of improvements we would like to do to the building:

1. Put in skylights to lighten the warehouse section of the building. This will lower our electric usage. The cost of this will be approximately \$310,000.00
2. Fuel Tank to fuel our trucks. The cost for this will be approximately \$25,000.00
3. Paint the exterior of the building. The cost of this will be approximately \$40,000.00
4. Asphalt for the parking area. The cost for this will be approximately \$160,000.00
5. Replace the roof. The cost for this will be approximately \$640,000.00

Thank you for your time. We look forward to hearing from you at your earliest convenience.

Sincerely,

John Selloni
President

I, the undersigned officer/member/partner of Applicant, on behalf of Applicant, hereby request, represent, certify, understand, acknowledge and agree as follows:

I request that this Application, together with all materials and data submitted in support of this Application (collectively, these "Application Materials"), be submitted for review to the Babylon IDA Board, in order to obtain from the Babylon IDA Board an expression of intent to provide the financial assistance for the Project. I understand that this expression of intent will take the form of an inducement resolution to be adopted by the Board.

I represent that I have the authority to sign these Application Materials on behalf of, and to bind, Applicant.

I certify to the best of my knowledge and belief that all of the information provided in these Application Materials is accurate, true and correct. I understand that an intentional misstatement of fact, or, whether intentional or not, a material misstatement of fact, or the providing of materially misleading information, or the omission of a material fact, may cause the Babylon IDA Board to reject the request made in the Application Materials.

I understand the following: that Applicant and Principals will be subject to a background check and actual or proposed subtenants may be subject to a background check; that the Babylon IDA may be required under SEQR to make a determination as to the Project's environmental impact and that in the event the Babylon IDA does determine that the Project will have an environmental impact, Applicant will be required to prepare, at its own expense, an environmental impact statement; that the decision of the Board to approve or to reject the request made in the Application Materials is a discretionary decision; that no Bonds may be issued (if Bonds are being requested) unless such Bonds are approved by the Supervisor of the Town; that under the New York State Freedom of Information Law ("FOIL"), the Babylon IDA may be required to disclose the Application Materials and the information contained therein; and that Applicant shall be entirely responsible and liable for the fees referred to in these Application Materials, including (in the case of Bonds) but not limited to payment of the New York State bond issuance fees (if applicable to the Bonds in question) based upon the aggregate principal amount of the Bonds.

I further understand and agree as follows:

That in the event the Application Materials are not submitted to the Babylon IDA Board for any reason including negative results obtained through the background check, and/or, with respect to Application Materials that are submitted to the Babylon IDA Board, in the event the Babylon IDA Board rejects same, then, under either of said circumstances, Applicant shall have no recourse against the Babylon IDA, or any directors, officers, employees or agents of the Babylon IDA, for the Application Fee, or for other expenses incurred by Applicant or other parties on behalf thereof, or for damages or specific performance; and that the Application Fee is under all circumstances (including but not limited to the ones just described and the ones described in the next succeeding paragraph) non-refundable; and

That if the Town of Babylon IDA Board adopts an inducement resolution with respect to the request made in the Application Materials, such adoption shall not be deemed a guaranty that the Town of Babylon IDA Board will adopt an authorizing resolution; or that the Babylon IDA will then provide the induced financial assistance; and

That Applicant shall indemnify the Babylon IDA for fees and disbursements incurred by bond counsel (in the case of a Bond transaction) or by project counsel (in the case of a straight-lease transaction); and that bond counsel or project counsel (as applicable) shall be a third-party beneficiary of this indemnity to the Babylon IDA regardless of whether financial assistance is granted and a bond closing or straight lease closing occurs and if no closing occurs, regardless of the reason thereafter and regardless of whether a closing was within or without the control of any of the Public Participants; and

That in the event Babylon IDA discloses the Application Materials in response to a request made pursuant to FOIL, Applicant hereby authorizes the Babylon IDA to make such disclosure and hereby releases the Babylon IDA from any claim or action that Applicant may have or might bring against the Babylon IDA, its directors, officers, agents, employees and attorneys, by reason of such disclosure; and that Applicant agrees to defend, indemnify and hold the Babylon IDA and its respective directors, officers, agents, employees and attorneys harmless (including without limitation for the cost of reasonable attorneys fees) against claims arising out of such disclosure as such claims may be made by any party including the Applicant, Affiliate, Owner or Principal, or by the officers, directors, employees and agents thereof.
